MARCH / APRIL 2011

2011 SEASON

from the Rodeo Road...

Well it's that time of year again! Time to get horses in shape, saddles cleaned up, and trailers cleaned out. For some of us, on the other end of the arena, it's time for us to stretch our muscles and get ready for another fun year of having a good time on new and seasoned stock.

I hope everyone has made it through the winter alright, especially after the little snow storm we had at the beginning of February. Has everyone renewed their membership? Have you recruited new members? Have you found sponsors for the association? This is going on my 4th year in the

MRCA and I have come to learn a couple things about rodeo: without the support of the communities that we compete in and the members going out and getting sponsors for the finals, we might not get to compete and enjoy the things we love doing. So, I would like to encourage and challenge you to go out and get a buckle sponsor, or bigger! Even a \$50 sponsorship would be great! Ask the people you buy your equine supplies from or your mechanic who works on your vehicle that you take to each rodeo to sponsor you. Every little bit helps!

As I bring this letter to an end, I hope everyone

has fun, travel safe, and enjoy every second you spend on the road. Whether you win a check or not, the memories will last you longer than the money!

I want to wish everyone good luck for the coming year and please try to get a sponsor. And remember, when you are leaving a rodeo, mad or glad, please stop and thank ALL the stock contractors. We can't have rodeos without them!

As the great Texas artist Aaron Watson says, "Life ain't but one big rollercoaster ride".

*Miss MRCA 2011 ~
Bailey Fugate
of St James, MO*

Looks like we better get our thinking caps on!!! Due to the recent fuel prices rising, some creative thinking will be in store for the summer! Don't forget this will take a toll on everyone, the stock contractors, fair boards, and us as competitors. Remember that everyone tries to do their best, even if it doesn't seem reasonable to you at that moment!!!!

~Two things a man should never be mad about: what he can help & what he can't help.

Thanks Miss MRCA
